

Kids Club

Location:

Kids Club is held in the Gateway Gardens Community Building. The address is 4300 Addy St. Washougal, WA 98671
Kids Club participants live in Gateway Gardens Apartments.

Times:

Kids Club runs on Thursdays from 3pm to 5:15pm. (Date & time subject to change due to staffing).

Ages:

The Kids Club participants generally range in age from 5 to 13. A majority of the kids are elementary school age.

Activities:

The kids participate in a variety of activities. On days when we do not have something structured planned, they enjoy playing foosball, Wii, four square, whiffle ball, kickball, and board games. They also enjoy coloring and doing crafts. Some days are more structured than others. We sometimes have community partners come in and do special activities with the kids. On these days, it is especially helpful to have volunteers there to model good listening skills and help with the facilitation of the activities.

Thank you for choosing to volunteer with REACH!
